& spread the word!

Reserve your seat today for this must-attend community event hosted by the National Association of Women Business Owners Ventura County (NAWBO-VC) and sponsored by the American Association of University Women (AAUW), the League of Women Voters (LWV), and Women's Economic Ventures (WEV).

Now more than ever women must advocate for public policies that improve our society, our businesses and our lives. As women, we can make a difference! To make the greatest impact we must be informed and engaged.

From the NAWBO CA sponsored SB 826 legislation, requiring all California publicly held companies to have at least one woman on its Board of Directors, to the upcoming centennial of the 19th Amendment giving women the right to vote, as women (and businesses that support women) we must use our collective voice and our vote to advocate and shape policy that impacts us, our families, our businesses, our community, and our world.

Hear from our prominent slate of speakers -

- **Getting More Women on California Publicly Held Corporate Boards (SB 826 Case Study)** - Senator Hannah-Beth Jackson, State District 19
- **Vision 2020 - Connecting Our Past to Our Future** - Dawn Dyer, NAWBO VC & Vision 2020

- **Advancing Financial Equity for Women** - Marni Brook, WEV
